Oasis Home Loans - Franchise Application

Non-circumvention Agreement

The applicant irrevocably agrees:

1. The applicant "the applicant" is applying to be considered as an Oasis Home Loans franchisee.
2. The franchisor, Oasis Mortgage Group Pty "Oasis", agrees to provide whatever information it can to allow the applicant to access whether an Oasis franchise is suitable for the applicant.
3. The applicant will not disclose any information including systems, procedures, names, contact details or any information or material revealed by Oasis to the applicant. The applicant recognizes such information to be exclusive and valuable property of Oasis and that they will not contact or enter into any direct or indirect transactions or negotiations with any contact revealed by Oasis or use any information supplied in any way from Oasis.
3. That in the event of circumvention, either directly or indirectly, Oasis shall be entitled to legal monetary penalty equal to the maximum loss it should have realised from such circumvention or transaction. This payment will also automatically include all legal expenses involved in the recovery of funds, both nationally and internationally, and:
4. That this Agreement shall become effective immediately upon the date of signing thereof by the applicant and shall remain in effect and valid for a period of one (1) years thereafter. For information, material, systems or procedures that Oasis consider to be proprietary, this Agreement shall shall remain in effect and valid for a period of five (5) years thereafter.
5. The Agreement shall be binding on the applicant hereto, their principals, employees, representatives, agents, assigns, consultants, associates, heirs and successors.
6. Any documents furnished by Oasis to the applicant or their advisors are presented for review purposes only and are not to copied, shared or retained in any way.
7. That the party signing on behalf of the proponent(s) expressly acknowledge authority to bind the applicant to this agreement.

AGREED:

The applicant:-
